

Privacy Policy

This section of this site will set out the practices that we perform with regard to data processing. All of these practices are carried out by using the internet or any electronic communication network by DP Distribution. Please contact us if you have any questions. You can email us at support@dpdistribution.co.uk . Please make sure that the data and the captured ones would be used and will be held in line with the requisites under the Data Protection Act of 1998.

Data and Information Collected

We are collecting the necessary information coming from those people who visit this site by using the online forms and we might collect your personal information if you email us for any questions that you have in mind. We are also collecting information regarding the transactions that you are undertaking over this website. These include the details about the payment cars that were used. Aside from that, we are also collecting information automatically regarding your visit through the use of Google Analytics.

Use of Personal Details

We do process personal details that we have collected through this website for these purposes:

- To provide information concerning services and products
- To give and personalize our services
- To deal with your requests and your questions
- To conduct a market research

Data Capture Details

We will be sending you with information based on your submitted preferences through our order form or by using the provided enquiry form in this website. In case that you would like to change those preferences, do not hesitate to send us an email at support@dpdistribution.co.uk or you may also send us a letter. Here is our address:

DP Distribution

86-90, Paul Street, London, EC2A 4NE

Marketing

Please bear in mind that your personal information can be used by us so that we can start sending you some important details on the products and services offer that we have which we have identified as may fit with your needs. Everything will depend on the preferences that you've indicated if you completed the order form or the inquiry form. If for any reasons you wish to discontinue, or if you want to modify the channels that we are using to get in touch with you, please get in touch with us.

Disclosures

We would just disclose the data when we are mandated to do so by law or when it is needed to ensure national security, criminal investigation and taxation. These may also include the following factors:

- Business partners
- Successors in the title of our company
- Suppliers that we engage to process the data for us

Other Sites

Our site might have links that will direct you to other websites which are not controlled by us and are not included in the guidelines set in our Privacy Policy. When you visit other websites through the use of the provided links that you can see in this website, the operators of those websites may gather your personal information which can be used in line with their own privacy policy and that could vary from ours.

Subject Access Request

You are free to see what information that we have regarding you. Please send a request and take note that we are reserving this privilege to charge you with a certain amount for your request.

Internet-based Transfers

Using the internet to gather and process data will include the transfer of data worldwide. When you communicate electronically with our company, you agree and acknowledge our personal data processing in this manner.

Cookies Use

We are also using cookies to recognize you if you see this site and also we are using these to track your browsing patterns to create a demographic outline. You can also turn off these cookies if you like. Please see our menu on the browser you use to learn how you can turn off the cookies.

Amendments

Remember that this section of our website is subject to modifications every now and then.
